

To SIA “Adros Baltija”

18.07.2022

On behalf of Sia Crewplanet,

We are thanking “Adros Baltija” for the provided 6-week training courses on “recruitment” and “customer service”.

“Adros Baltija” had provided our team with valuable knowledge, live situation analysis and great team-building tasks where staff got to know each other better. Moreover, A. Saveljev was very thoughtful, responsive and ensured that every participant felt highly involved.

We highly recommend “Adros Baltija” to small and large companies that want to enhance performance of their personnel.

Best regards,

Vladislavs Vasarovskis
